Local Author Stacey Ann Beitler Speaks at The Early Learning Center at FIELDHOME's Preschool Graduation Ceremony

Cortlandt Manor, NY, June 15, 2010 -- The Early Learning Center at FIELDHOME held its Preschool Graduation ceremony on Friday, June 11th, in the Memory Garden at The Seabury.

The children entertained the audience with poetry, songs, dance and air guitar. The children also gave a special thank you to their "grandfriends" at FIELDHOME. Local author and illustrator, Stacey Ann Beitler, was the guest speaker and read her first book, *Willy Goes to the Farm* to the children. The ceremony was followed with a BBQ for the graduates and undergraduates of The Early Learning Center and their families as well as their Grandfriends from The Seabury.

The FIELDHOME campus includes a rehabilitation treatment center and a skilled nursing facility at Field Home–Holy Comforter and offers luxury assisted living and memory support at The Seabury. FIELDHOME residents also benefit from a unique on-campus intergenerational program with the children from The Early Learning Center.
