

Testimonials for The Seabury

“I can’t believe that I’ll be here almost four years. Sometimes I leave my room at 9:30 in the morning and don’t get back there until 3:30 in the afternoon. The staff are very, very helpful at anytime of day or night.”

— Claire M., Seabury Resident

“My mom lived at The Seabury for five years and she was really very happy. She knew that she was sincerely loved. I can’t say enough about the staff in a positive way. I always recommend The Seabury.”

— Ann S.

“My cousins join me in thanking you for the level of care and personal attention of your caregivers—they are extraordinary! The Seabury is a special place!” — Rae F.

“I can say, truthfully, that my mom is doing so well because she lives at The Seabury. From morning to night my mother is involved. It is a good, safe feeling to know that my mom lives here.” — Cathy G.

The Seabury is a part of FIELDHOME, A Community of Caring Services

Assisted Living

The Seabury Assisted Living offers the very best in care and luxury that you'd expect to find at a first class facility including gourmet dining, a fitness program, concierge service, free transportation, social activities and weekly live entertainment—for one all-inclusive rate. The program is tailored for individuals who require or prefer to live in a comfortable, safe and upscale setting without the worry or work of everyday chores.

Seabury Assisted Living residents enjoy many conveniences, including:

- Three gourmet meals a day, served in an elegant restaurant setting
- A wide range of educational, social and recreational activities, including weekly live entertainment and field trips
- On-site fitness room with daily exercise, yoga and zumba classes
- Unique Intergenerational Program with the children at The Early Learning Center at Fieldhome
- Licensed nursing services 24 hours a day, 7 days a week
- No additional costs for personal laundry, housekeeping or parking

Memory Support

The Seabury's Memory Support residence is a separate community that provides a safe and enriching environment for those with **early to mid-stage Alzheimer's Disease or dementia**. The accommodations utilize the latest concepts in memory support care that allows residents to maintain their independence and freedom in a secure environment. A completely enclosed Wandering Garden provides a beautiful outdoor park setting for residents to enjoy.

Residents benefit from all that The Seabury provides, including:

- On-site licensed nursing services 24 hours a day, 7 days a week, with unlimited personal care, including incontinence
- Specially trained staff in Alzheimer's and dementia care
- Spacious private rooms with half bath and dutch doors to provide openness while limiting access to others
- Country kitchens for a home-like intimate dining experience
- A wide range of social and recreational activities appropriate for the residents' special needs

Resident Day Program

For **Assisted Living** couples requiring different levels of care, we offer a **Day Program in Memory Support**. The couple resides in the same apartment during the evening, and one can transition to the Memory Support program during the day to benefit from a more appropriate level of care.

Respite Care

Respite Care is available in the Memory Support residence. This is the perfect solution when caregivers need relief, whether for vacation, business, their own health needs or simply for a much deserved period of rest and relaxation.
